Help us 'Share the Warmth' across the BOP and WIN!

Winter has well and truly arrived in the Bay of Plenty and it's always a great excuse to get comfy in those winter woolies.

Unfortunately for some, access to heating and warm clothes is harder than it needs to be. That's why **The Hits Bay of Plenty & Synergy Technologies** is proud to partner with **Good Neighbour Trust** to 'Share the Warmth' this winter.

From now until **August 18th**, you can register yourself or your business to take part in our Share the Warmth initiative. When you **register** and **donate**, you go in the draw to **win** weekly prizes like a weekly workplace shout from **Good Neighbour** and **Mount Hot Pools** prizes to keep you warm and relaxed.

Then, on **Friday August 18th**, take part in our **Share the Warmth Day** and wear any kind of winter woolies you can find, take a picture, and share it across social media using the hashtag **#ShareTheWarmthTGA**.

All of this will help raise awareness and funds for the amazing work Good Neighbour does to provide practical support and opportunities, and most importantly human connection, to vulnerable people in the Bay of Plenty.

Thank you to our amazing partners **Synergy Technologies, Baker Tilly Staples Rodway & Mount Hot Pools**.
